

**HUMAN SERVICES DEPARTMENT[441]**

**Notice of Intended Action**

**Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”n**

**Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.**

Pursuant to the authority of Iowa Code section 249A.4, the Department of Human Services proposes to amend Chapter 77, “Conditions of Participation for Providers of Medical and Remedial Care,” Chapter 78, “Amount, Duration and Scope of Medical and Remedial Services,” and Chapter 79, “Other Policies Relating to Providers of Medical and Remedial Care,” Iowa Administrative Code.

The proposed amendments add assertive community treatment to the array of services under the Iowa Medicaid program. Assertive community treatment helps persons who have serious mental illness remain in the community by providing all behavioral health services necessary to ensure that outcome. To provide the services, representatives of various medical disciplines, such as nursing, case management, community support, medication monitoring, and crisis response, participate as a team under the supervision of a psychiatrist. All behavioral health services except for drugs and hospitalization are provided and coordinated by the team, resulting in comprehensive care provided seven days a week and 24 hours a day.

Assertive community treatment is already available to Medicaid members enrolled in the Iowa Plan for Behavioral Health. These amendments will allow members who are not eligible for enrollment in the Iowa Plan to access assertive community treatment.

These amendments also make technical changes to replace the name “Surveillance and Utilization Review Services Unit” with “Program Integrity Unit.” This change reflects the current organizational structure of the Iowa Medicaid Enterprise.

These amendments do not provide for waivers in specified situations. Requests for the waiver of any rule may be submitted under the Department’s general rule on exceptions at 441—1.8(17A,217).

Any interested person may make written comments on the proposed amendments on or before January 4, 2011. Comments should be directed to Mary Ellen Imlau, Bureau of Policy Coordination, Department of Human Services, Hoover State Office Building, 1305 East Walnut Street, Des Moines, Iowa 50319-0114. Comments may be sent by fax to (515)281-4980 or by E-mail to [policyanalysis@dhs.state.ia.us](mailto:policyanalysis@dhs.state.ia.us).

These amendments are intended to implement Iowa Code section 249A.4.
